

Upcoming Parenting Program for Fathers/Father Figures

The **Nurturing Strong African Nova Scotian Families Parenting Program** is the first of its kind developed to support Black / African Nova Scotian parents and/or caregivers to have a safe space to explore and discuss the cultural, racial, and historical factors that affect their parenting.

This program is being offered to engage fathers/father figures of all ages, in supporting them to be involved more than ever before. The impact a strong male role model makes in a child's life is powerful, unique, and inspirational.

Come and join this great program?
Upcoming 7-week Session Starts June 9 and runs until July 23
