

# HALIFAX REGIONAL CENTRE FOR EDUCATION

May 24, 2018

Dear Parents/Guardians,

I am pleased to inform you that the Halifax Regional Centre for Education (HRCE) has again received funds to complete upgrades to Bicentennial School.

The funding will be used to continue with upgrades to the building envelope (i.e. windows replacement and masonry repointing). The HRCE is currently developing a schedule for when this work will occur and we will provide you with an update when the details are finalized.

If you have any questions about this project, I would encourage you to speak with the school principal who should be able to answer any of your questions or direct you to the appropriate contact at the HRCE for a response.

Best wishes on the completion of a successful school year!

Regards,

Ron Heiman,  
Director of Operations

c: Sarah Shea, Principal, Bicentennial School  
Stacey Toth, School Administration Supervisor, Dartmouth High Family of Schools
